

Regulation over the admission of animals in the campsite

The aim of this regulation is to prevent any problem about the hygiene, cleaning, decorum and safety that a not correct behavior of the dogs' owner could cause in the public areas of the campsite.

Art.1 Only small size animals are admitted in the campsite, max of 10 kgs, just one for unit, according to this regulation.

Art.2 Animal admission, in a limited number, must be authorized by the Direction. The presence of any animal must be communicated at the moment of the reservation.

Art.3 The dog owner must pay the daily rate in effect.

Art.4 Breeds of dogs and animals considered big and dangerous or reported as such, at the discretion of management, will not be admitted in the campsite.

Art.5 The animals' owners must have with them documents of vaccination.

Art.6 Dogs must be leashed. In the case of aggressive dogs must wear a muzzle.

Art.7 It is strictly forbidden to let unattended the animals in the campsite.

Art.8 Owners must not allow their dog to invade the pitch or the space of other guests.

Art.9 The owners must collect the droppings of their animals and throw away them in the waste area in strict compliance with the norms of hygiene. They must ensure that animals do not disturb other guests of the camping village.

Art.10 Any damage caused to any person or structures in the campsite by the animals are under the responsibility of the owners.

Art.11 Dogs that are noisy, growling or barking insistently, will not be allowed to remain inside the camp.

Art.12 It is absolutely forbidden to shower the animals inside the toilet. Pets are not admitted in the playground, swimming pool, supermarket, in the bathrooms. Dogs are not admitted in the beach.

Art.13 Dogs barking or depositing their droppings in the absence of the owners will be expelled from the campsite by the competent authority. Violators will be charged with a penalty of €200.00 and a consequent expulsion from the camp.
